

Remarques générales :

*Ces indicateurs sont produits à une date fixe et à partir des données de l'application DN@-ng.
Ces chiffres incluent les mineurs accompagnants.*

Les données ne prennent en compte que l'hébergement stable. Les effectifs des dispositifs instables tels que les nuitées hôtelères et les places du Centre d'accueil des familles demandeuses d'asile (CAFDA) de Paris ne sont pas comptabilisés, de même que les effectifs des CAES ne sont pas pris en compte du fait de leur intégration récente dans l'application DN@ NG.
